1 – No discriminatory behavior or language will be tolerated in or out of a game. Sexist or sexual violence is prohibited.

Les comportements discriminants (gestes, paroles) ne seront tolérés ni pendant, ni avant ni après les sessions de jeu. Aucune forme de violence sexuelle ou sexiste ne sera tolérée.

2 – Anyone can leave a game at any point, just for a scene or the rest of the session. Organizers may reach out to check on the person afterwards, but they are not required to share why they left if they don't want to.

Il est possible pour un.e joueur.euse de quitter une session pendant une scène ou pour toute la partie. Les organisateur.ices pourront lui demander lui en demander la raison, sans obligation de sa part de s'expliquer.

3 – The Game Master (GM) provides their time and effort to set up and run the game – their decisions are final in order to keep the game functioning.

Les maîtres du jeu investissent de leur temps pour organiser des parties. Pour que le jeu puisse fonctionner au mieux, leurs décisions sont finales.

4 – Booking a spot and failing to show up for a game is understandable – however, if this happens repeatedly, the person may be temporarily banned since spots are limited.

Il peut vous arriver de réserver une partie et de ne pas pouvoir vous y rendre. Si cela se produit trop souvent, vous pourrez ne plus faire de réservation pour un temps donné.

5 – Romance in game is not allowed. The GM is encouraged to inform the players of what kind of themes and content their game will contain.

Les relations amoureuses, romantiques ou autre ne seront pas acceptées pendant le jeu. Les maîtres du jeu doivent autant que possible informer leurs joueur.euses des thèmes, du ton et des contenus de la partie en amont.

6 – Roleplaying is a collaborative effort – all players should contribute and no one player should monopolize the game.

Le jeu de rôles est collaboratif : tout le monde doit y contribuer. Il faut donc éviter qu'un.e seul.e joueur.euse ne monopolise toute une partie.

7 – This club's purpose is to practice English – all participants must speak only English, and everyone is

encouraged to speak slowly or repeat if necessary, in order not to leave anyone behind.

L'atelier a pour but la pratique de la langue anglaise : tous les participants ne doivent parler que cette langue. Tout le monde se doit de parler de manière à la compréhension de toutes et tous (répéter, parler lentement ou fort si nécessaire).

8 – Organizers will warn participants that break rules – if those people do not change their behavior, they will be excluded from the club's activities.

Les organisateur.ices feront des rappels aux participant.es qui enfreindraient les règles. Si ces rappels ne suffisent pas, elles pourront exclure les personnes concernées.
